

Product ID: Windshield Treatment

Product Name: ANTIRAIN707

Quantity: 250 ml

ANTI-RAIN 707 - Windshield treatment

Superior windshield treatment

Have you ever driven in pouring rain and even with your wipers at full strength found that you could not see very well? Anti Rain is the latest in water sheeting technology and helps water sheet off immediately from the windows giving you a clear view of the road. Even without wipers you will be able to see clearly as the force of the wind against the windows will sheet off the glass faster than window wipers would. Provides you with safety and security while driving in dangerous weather.

- Repels rain, sleet, snow and grime on contact
- Increases visibility and driving safety even in the rain.
- Prevents adhesion of insects, dirt, grime etc from sticking on to surface.
- Resists cleansing agents and antifreeze
- Makes cleaning easier
- Dries clean and streak free
- Easy to apply

Applications:

Windshields in Cars, boat, trucks etc. made of glass. Can also be applied on tiles, ceramics, mirrors, conservatories, windows, etc.
